

**ROOFING APPLICATION
RED OAK HILLS SUBDIVISION**

Date: _____ Applicant Name: _____

Property Address: _____

Applicant Telephone Number: _____

This application represents the above Homeowner's request to change and/or replace the roof on the above named property. The following approved materials are proposed by the applicant:

Material (check one): Wood Shingles Wood Shakes Slate Clay Tile
 Concrete Tile Laminated Composition Shingle Eco-Shake Shingles

Material Brand / Product Name: _____

Color: _____

Weight (lbs/square): _____

Installer: _____

Installer's Address and Telephone Number: _____

Note: To expedite review, attach a copy of Installer's proposal outlining proposed materials, accessories, colors, installation methods, and submit color samples with application.

By signature below, Homeowner(s) acknowledge that to the best of its/their knowledge, information and belief, the proposed roofing materials for which the application is submitted comply with the most recent "Red Oak Hills Homes Association, Inc. Roofing Specifications and Guidelines". Homeowner(s) further acknowledge that the governing review committee will review and approve or reject this application within 30 days of receipt of a complete application, unless not reasonably possible, and that roofing installation may not commence until the Homeowner(s) are in receipt of an application signed by three Committee members.

HOMEOWNER(S):

_____ Date: _____

_____ Date: _____

Deliver completed Application to Tom Beckenbaugh, Architectural Committee Chair, Phone 913-268-3153. Email: vicepresident.redoakhills@gmail.com

Date received for Committee review: _____

Based on its limited review of this Application, the Committee approves the Homeowner(s) request, understanding, however, that the Homeowner(s) assumes full responsibility for compliance with the "Red Oak Hills Homes Association, Inc. Roofing Specifications and Guidelines".
