

WHAT'S NEW?

This is a publication for residents of Red Oak Hills to keep us up to date on our community and to provide a forum for sharing information.

JULY ISSUE

OH, WHAT A PICNIC

The Annual Red Oak Hills picnic was quite a success. The food was delicious, the camaraderie was delightful, and the children thoroughly enjoyed the tree climbing and the inflated bouncing tent. We want to thank the many people who contributed to the success, including all the picnic goers who brought dishes to share. "Two Guys and a Grill" supplied hamburgers and hot dogs (what's a picnic without hot dogs?). Special thanks to Dick Ralston, the chairman of the Social Committee for bringing it all together.

NEW BOARD MEMBERS CONFIRMED

The votes are tallied and the Homes Association has three new board members: **Nancy Bunn Jane Ford, and Kelby Hellwig**. One of the topics the new board will be considering is expanding the Board by one or two additional members. So if you regret that you missed your opportunity to participate on the Board, let the new ROH President, Gary Turner, know of your interest.

PET REGISTRY

Every year, there are numerous incidents of pet owners searching for pets that have gotten loose in the neighborhood and there have been requests, in the past, to organize a pet directory to aid in reuniting owner and pet. Bill Oxley, one of our residents, has volunteered to create the pet directory for the Homes association. The owner of a lost pet could contact Bill (or his back up person) to initiate a broadcast to all residents containing the pet's picture. Or a person finding a pet without tags could ask for assistance in determining the owner. If you are interested, contact Bill Oxley at bill@dog-n-master.com or call 913-631-6640.

CONGRATULATIONS SUSAN

Susan Robinette has been selected as the new President of the Kansas City Track Club. Congratulations, Susan!

NO TEXTING AND DRIVING

On May 24, Governor Parkinson signed a new law that prohibits drivers in Kansas from writing, sending, or reading a text message while driving. The ban on text messaging goes into effect on July 1, 2010; however, officers will be issuing warnings only until January 1, 2011. On that date, the violation carries a fine of \$60.
